INDEPENDENT AUDITORS' REPORT

Board of Directors
Alliance Defending Freedom

Report on the Financial Statements

We have audited the accompanying combined financial statements of Alliance Defending Freedom and affiliates, which comprise the combined statements of financial position as of June 30, 2017 and 2016, and the related combined statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the combined financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Alliance Defending Freedom and affiliates as of June 30, 2017 and 2016, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the combined financial statements as a whole. The selected combining financial information in the schedules attached, which is the responsibility of management, is presented for purposes of additional analysis of the combined financial statements rather than to present the financial position, results of operations, and cash flows of the individual companies, and is not a required part of the combined financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the combined financial statements, and, accordingly, we do not express an opinion or provide any assurance on it.

**ALLIANCE DEFENDING FREEDOM AND AFFILIATES
NOTES TO THE COMBINED FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2017 AND 2016**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Alliance Defending Freedom (the Company or ADF) was formed in March 1993 under the laws of the Commonwealth of Virginia. The purpose of the Company is to serve as an alliance-building legal organization that advocates for the right of the people to freely live out their faith. The Company exists to keep the doors open for the Gospel worldwide by advocating for religious liberty, the sanctity of life, and marriage and the family.

Principles of Combination

These combined financial statements include the activities of Alliance Defending Freedom, ADF Foundation, 15100, LLC, 15100 Solar, LLC, Alliance Defending Freedom India Trust, ADF Mexico, ADF Brussels (Belgium), ADF Geneva, ADF International Austria GmbH, ADF International Switzerland, ADF International United Kingdom, and ADF Strasbourg (France). ADF Foundation was incorporated in 2005. 15100, LLC was organized in 2007 to own and operate a commercial real estate property for the benefit of Alliance Defending Freedom. 15100 Solar, LLC was organized in 2012 to own and operate a solar energy project in connection with 15100, LLC. All material intercompany accounts and transactions have been eliminated in the combination.

Financial Statement Presentation

Net assets and revenues, gains and losses are classified based on state and donor imposed restrictions. Accordingly, net assets of the Company and changes therein are classified and reported as follows:

Unrestricted – Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Company and/or the passage of time.

Permanently Restricted – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Company. Generally, the donors of these assets permit the Company to use all or part of the income earned on related investments for general or specific purposes.

Use of Donor Gifts

Unrestricted contributions from the general public are primarily used to fund case grants, legal projects, and program costs.

The Company's mission includes raising and using funds to transform law and culture so true freedom can flourish.

Awarding of Case Grants

A significant portion of program service spending goes to case grants. Following a detailed application process, grant applications are reviewed for approval by the Grants and Review Council. Grant disbursements include costs to research and litigate selected legal cases. Once awarded, disbursements are made after satisfactory completion of the terms of the grant.

NOTES TO THE COMBINED FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2017 AND 2016**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Awarding of Case Grants (Continued)

The Grants and Review Council is composed of volunteer attorneys with expertise in various fields of law. The council meets throughout the year to review grant applications and to plan legal strategy. For the years ended June 30, 2017 and 2016, this committee's contributed skilled services were valued at approximately \$54,000 and \$75,000, respectively, and these amounts are included in contributed services revenue.

Once a grant is awarded, funds are retained until proof of completion of work or expenditures authorized are received from the grant recipient. Grant disbursements are recorded as an expense when paid.

Direct Litigation Contributed Services

Through its ADF Academy, Blackstone Legal Fellowship, and Arete Academy, the Company continues to build an alliance of volunteer attorneys and future attorneys who can work within America's legal system and international bodies of law to protect life, from conception to death; preserve marriage and the family as God ordained it; and protect and defend the ability to publicly live and express one's faith. For the years ended June 30, 2017 and 2016, approximately \$4,900,000 and \$7,160,000, respectively, of contributed services have been recorded as revenue.

Donated Assets and Other Services

Temporarily Restricted Contributions

The Company reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the combined statements of activities as net assets released from restrictions.

The Company reports gifts of equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Company reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Fair Value Measurements

The Company categorizes its assets and liabilities measured at fair value into a three-level hierarchy based on the priority of the inputs to the valuation technique used to determine fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Company has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at June 30, 2017 and 2016.

Advertising Costs

Advertising costs are charged to expense as they are incurred. The Company incurred advertising expenses \$241,359 and \$263,485, for the years ended June 30, 2017 and 2016 respectively.

NOTE 8 ENDOWMENT

Interpretation of Relevant Law

The Foundation functions to promote the welfare and activities of Alliance Defending Freedom (Ministry) and assist in achieving its objectives. Long-term success of the Foundation and the Ministry is dependent upon the performance of the Foundation's funds, including endowment funds.

Endowment Funds

The Foundation defines an "endowment" as a fund or part of such a fund that, under the terms of a donor's gift instrument, is not wholly expendable by the Foundation on a current basis. This does not include assets that the Foundation designates as a fund for its own use, or assets held by the Foundation that the Ministry designates as a fund for the Ministry's own use.

The Foundation endowments consist of various funds that may be denominated as true, term, and quasi endowments, and all are subject to the "Investment of Funds" and "Expenditures" provisions noted below. As used herein, "true endowments" are funds for which a donor or other outside agency has stipulated, as a condition of the gift instrument, that the principal is to be maintained inviolate and in perpetuity and invested for the purpose of producing current and future income; "term endowments" are similar to true endowment funds except that, upon the passage of a stated period of time, or the occurrence of a stated event, all or part of the principal may be expended; and "quasi endowments" are funds that the board of directors (Board), rather than a donor, has determined will have the principal retained and invested. Since these funds are internally designated rather than externally restricted, the Board has the right to decide at any time to expend some or all of the principal. Collectively, all types of funds are referred to as the "Endowment."

NOTE 8 ENDOWMENTS (CONTINUED)

Investment of Funds

The overall financial objectives of the Foundation are to support the current and future operations of the Ministry and to preserve and enhance the purchasing power of the Endowment. To accomplish these objectives, the Foundation must generate real returns from investments greater than its spending rate over the long term.

The investment objective of the Foundation is to attain an average annual real total return (net of investment management fees and after inflation) in excess of the spending rate over the long term, defined as rolling five-year periods, and to outperform the median endowment within a universe of other similarly held endowments. The Board has adopted a diversified approach to investment that balances its goals of maximizing return and preserving the Endowment's purchasing power. In seeking to attain these investment objectives, the Foundation, the Board, and its agents exercise prudence and appropriate care in accordance with Arizona's version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA), Arizona's Management of Charitable Funds Act (Act).

Expenditures

The Act governs expenditures from the Foundation's Endowment. The Foundation complies with the Act, as it may be amended from time to time, in all decisions relating to the expenditure or retention of the Endowment. The Act permits the Foundation to appropriate for expenditure or accumulate so much of any the Endowment as the Foundation determines is prudent for the uses, benefits, purposes, and duration for which the applicable Endowment Fund was established, subject to the intent of donors expressed in the applicable gift instrument. The Foundation has adopted a spending policy, permitted by the Act, which provides currently that the amount of funds allocated for expenditure, pursuant to the purposes for which the Endowment was established, will equal annually five percent (5%) of the value of such Endowment, with such being applicable to any sub-fund within the Endowment.

The value of each sub-fund will be calculated by averaging the market value of the sub-fund as of the end of each of the twelve calendar quarters immediately preceding the date upon which the calculation is being made, but not including the quarter in which the calculation date itself falls.
